

PADDYPOWER. TOP TIPS

SPURS v WEST HAM
- JOHNSON TO SCORE

21/10

Brennan Johnson is on fire at the moment and has scored in seven games in a row. He's good value to make that eight in this game.

BOURNEMOUTH v ARSENAL
- SAKA SCORE OR ASSIST

EVS

Arsenal will expect to dominate and Bukayo Saka should be key. He's already got 9 goal involvements this season and will fancy another here.

LIVERPOOL v CHELSEA
- JACKSON 1+ SHOTS
ON TARGET

4/5

Nicolas Jackson has been in good form and has fired 11 shots on target in seven EPL games. He's a great price to add to that tally.

TREBLE = 10/1
