RUBY'S RED HOTS

WEDNESDAY, MARCH 14TH - CHAMPION CHASE DAY

BALLYMORE NOVICES' HURDLE

Samcro is touted as a banker and, honestly, if Willie Mullins was training him and I was riding him I'd think he was a certainty too.

RSA CHASE

Presenting Percy is a possible. **Monalee's** a very good horse, **Al Boum Photo** stayed well at Leopardstown behind **Monalee** and **Black Corton** has done nothing wrong.

CORAL CUP

You'd want a bit of value here. It might be worth looking at **Le Breuil**.

QUEEN MOTHER CHAMPION CHASE

Min couldn't beat **Altior** as a novice hurdler, so has he improved enough to beat him now? I think the race is all about **Altior**.

CROSS COUNTRY CHASE

Cause of Causes is rock solid. He's such a great style of racing, races behind the bridle. He's an economical little jumper. He'll be very, very hard to beat.

FRED WINTER JUVENILE HANDICAP

I may ride a second-string of Dan Skelton's, who really fancies his first-string, **Nube Negra**, ridden by Harry Skelton.

WEATHERBYS CHAMPION BUMPER

If we've got slow ground it would bring **Carefully Selected** into the reckoning. But at the minute it's **Blackbow**. Willie raved about Hollowgraphic but now he's gone I reckon **Blackbow** can take it.
