

RUBY WALSH

RUBY'S RED HOTS

MARCH 15TH - ST PATRICKS THURSDAY

JLT NOVICES

Maybe doesn't look as good a race as the RSA or the Arkle but **Invitation Only** is a horse we've always liked.

PERTEMPS HANDICAP HURDLE

I thought **Sort It Out**, who Barry Geraghty rode to third at Punchestown last week, came home very well. I thought he would have an obvious chance.

RYANAIR CHASE

It's all about the weather for **Un De Sceaux**. If the ground is soft, he'll be hard to beat. He was very good at Ascot.

STAYERS HURDLE

I think **Sam Spinner** is the one. I thought what he did as a five-year-old in Ascot was very good. He can only be a better horse in the Spring as a six-year-old.

MARE'S NOVICE HURDLE

Laurina is a great jumper, a good traveller, and stays really well. Herself and **Un De Sceaux** hopefully will give me a happy Thursday.

KIM MUIR HANDICAP CHASE

I prefer **Mall Dini** to **Squouateur**, who makes too many mistakes. I'd like to see him jumping better. **Mall Dini's** a definite - I would give him a super chance.
