

RUBY WALSH

RUBY'S RED HOTS

FRIDAY, MARCH 16TH - GOLD CUP DAY

TRIUMPH HURDLE

I don't know why people have taken against **Apple's Shakira**. She's got great course and ground form. She is a worthy favourite.

COUNTY HURDLE

Sandsend is interesting. He'll run a big race in this too.

GOLD CUP

I think **Definitely Red** is the value on slower ground, hovering around 16/1.

FOXHUNTER CHASE

Wonderful Charm ran well last year. Paul Nicholl's put him up as his best bet of the week. **Foxrock** around the 7/1 mark will have to have a chance.

GRAND ANNUAL

I thought the horse that won it last year could go and win again, **Rock The World**. I think he has a great chance.
