### FILLY AND MARE SPRINT

6.55PM

**JW:** **Come Dancing** has an impressive profile of 8 from 13 starts and reached a speed figure of 114 over this distance at aqueduct. A reproduction of that should be enough.

**MC:** It's **Covfefe** for me in this one. He's a Grade One winner and will be simply too hard to catch.

**TF:** **Come Dancing** boasts the best form in the field and it should show here.

**T:** **Covfefe** ran a 107 Beyer in her prep race for this. She has the best early speed in the race and drawn on the rail so no issues there.

**PP:** **Covfefe** was named after one of Trump's Twitter gaffes. Clearly, it's a banker.

### TURF SPRINT

7.33pm

**JW:** **Pure Sensation** has a decent record when fresh and is back off a two month absence. This speedball is also drawn close to the fence so I'm expecting an easy win.

**MC:** **Pure Sensation** is lightning fast and in tremendous form. Has a good draw and that should seal the deal for him.

**TF:** Frankie Dettori's mount, **Imprimis**, is drawn well and gets the nod here.

**T:** A hard one to price, we've gone a bit left field here. **Om** has run four triple figure Beyers. At double figure odds, take it.

**PP:** I'm a big rugby fan so **Leinster** is the obvious one here.

### FILLY AND MARE TURF

8.54pm

**JW:** **Billesdon Brook**'s stamina should last out over a mile and a quarter. She has a perfect draw and her change of gear can be used later in the straight.

**MC:** Defending champ **Sister Charlie** will do it again. She's far too good for the Europeans.

**TF:** **Sister Charlie** all the way!

**T:** **Sister Charlie** is our nap of the weekend. She'll win to cheers of 'How far?' by us traders.

**PP:** Simply for the name, (and of course all the stats back it up!) I'm going with **Fanny Logan** here.

### BREEDERS' CUP SPRINT

9.36pm

**JW:** **Shancelot** ran a hole in the wind when winning at Saratoga three starts ago and that speed figure is the best on offer. He looks the most talented in the lineup.

**MC:** Front runner **Shancelot** is drawn well and will be away and gone before the others know it.

**TF:** The booking of Jose Ortiz speaks volumes for **Shancelot's** chances. That will do for us.

**T:** Jorge Navarro is a favourite of the trading desk and **Shancelot** has what it takes here.

**PP:** I actually do fancy **Shancelot** here and not just copying everyone else.

### BREEDERS' CUP MILE

10.20 PM

**JW:** After some disappointing runs, reports for **Without Parole** are that he's working extremely well. An each way play here.

**MC:** Ryan Moore on **Circus Maximus** will take some beating but I think **Uni** will have too much speed for him.

**TF:** **Circus Maximus** should be well positioned from the outset and can get the better of Uni.

**T:** Chad Brown's **Uni** is the pick. She has good gate speed and possesses a deadly turn of foot.

**PP:** A sentimental pick here - **Bowies Hero**. I miss him.

### BREEDERS' CUP TURF

11.40pm

**JW:** Seamie Heffernan told me that **Anthony Van Dyck** would be his pick of the team's runners, which is a big shout. He's the nap of the night.

**MC:** **Old Persian** has fine 1m 4f form, had a good win in Canada last time and is sure to be in the mix. I fancy William Buick to get her home.

**TF:** **Bricks and Mortar** has been the best US Turf horse by a mile this year. and it will show.

**T:** The top two make obvious appeal but **Arklow** looks overpriced and stays the trip.

**PP:** I'll always go with any sort of Irish reference so it's **Arklow** all the way.
