

**DAY 3 SATURDAY APRIL 10<sup>TH</sup>**

1.45 PM

**EFT SYSTEMS HANDICAP HURDLE**

**SOUTHFIELD HARVEST** was badly hampered by a faller at the first at Newbury last time. He's a tentative choice in the opener.

2.25 PM

**BETWAY MERSEY NOVICES' HURDLE**

**BALLYADAM** is running here to avoid having to take on Supreme Novices Hurdle winner Appreciate It at Punchestown. He'll find life a hell of a lot easier because of that.

3.00 PM

**DOOM BAR MAGHULL NOVICES' CHASE**

**SHISHKIN**'s price is based on whether he gets around. If he gets around - he wins.

3.35 PM

**RYANAIR STAYERS HURDLE**

I was in the **THYME HILL** camp prior to him missing Cheltenham. I'm just as keen now as the way this race will be run should suit him better too.

4.15 PM

**BETWAY HANDICAP CHASE**

**SNOW LEOPARDESS** won at Haydock in November when she beat Commodore and was then second to Canelo in the Rowland Meyrick Chase. She ran reasonably well at Cheltenham behind Galvin, Next Destination and Escaria Ten. She's my each-way play.

5.15 PM

**RANDOX GRAND NATIONAL HANDICAP CHASE**

**BURROWS SAINT** has a great chance. I won on him in the 2019 Irish Grand National and thought then he had 'Aintree National' written all over him. Class Conti has the profile to run a big race and I'll also be shouting for ANY SECOND NOW trained by my dad. He's very happy with his preparation and thinks he will stay the trip.
