

RUBY'S PICKS

DAY 2

WEDNESDAY MARCH 15TH

CHELTENHAM '23

1.30PM BALLYMORE NOVICES' HURDLE, 2M5F (GRADE 1)

I really like **IMPAIRE ET PASSE** in this 2m 5f contest. He's a really good horse and seems to have improved from his last win. It's a deep race and he can come out on top.

2.10PM BROWN ADVISORY NOVICES' CHASE, 3M½F (GRADE 1)

There is improvement to come from **GERRI COLOMBE**, so he is the one for me.

2.50PM CORAL CUP HURDLE (2M5F)

CAPTAIN CONBY (EACH-WAY) carries my money. The ground is against the Mullins' horses and Icare Allen ran badly last time.

3.30PM CHAMPION CHASE, 2M (GRADE 1)

EDWARDSTONE has impressed me most this season. It should be some race as the first three from the Cheltenham Trials Day re-oppose again.

4.10PM CROSS-COUNTRY STEEPLE CHASE (3M6F)

DELTA WORK is the one, especially with the rain that has fallen. Franco De Port is an each-way price and will stay.

4.50PM GRAND ANNUAL CHASE (2M)

DINOBLUE has a chance - that's all she has is a chance. I hope she runs well as it be great to see Luke Dempsey ride another winner at Cheltenham.

5.30PM CHAMPION BUMPER, 2M½F (GRADE 1)

Stayers tend to win this race over the speed horses. I can see **FACT TO FILE** reversing the Leopardstown form with A Dream To Share.
