

RUBY'S AINTREE PICKS

DAY 2

FRIDAY APRIL 14TH

1.45PM MILD MAY NOVICES' CHASE (3M 1F)

Gerri Colombe has had four runs this season, whereas **BRONN** has only had three, so Willie Mullins' runner could be the fresher horse. He can turn the form around.

2.20PM ORRELL PARK HANDICAP (2M 4F)

I've landed on **SONIGINO** for Paul Nicholls with Harry Cobden on board. He hasn't ran since he won at Huntingdon in February and he's too big of a price not to back.

2.55PM TOP NOVICES' HURDLE (2M)

FOUND A FIFTY ran a cracker at Naas in February when beaten by Corbetts Cross and he bolted up ahead of Parmenion at Fairyhouse before that. I like him.

3.30PM MELLING CHASE (2M 4F)

This is a pretty average renewal and I'm with an outsider in **MILLERS BANK** at a price. He won here last year and he's bordered on being a Grade 1 horse.

4.05PM TOPHAM HANDICAP CHASE (2M 5F)

I fancy **BURROWS SAINT** to kick on from his third at Down Royal in March. He's a wonderful jumper and this should really suit him.

4.40PM SEFTON NOVICES' HURDLE (3M)

I'm going for an each-way shout in **BLINKINSOP** for Henry Daly. He was impressive at Newbury when last seen.

5.15PM PINSENT MASONS (2M)

GAOTH CHUIL will appreciate the rain that is falling and likes the trip. She should run a big race and Shane O'Callaghan is claiming 7lbs.
